

For Our Future: Building houses, building hope
Capital Campaign

Atlanta Habitat for Humanity partners with working families, sponsors and communities to build affordable quality homes and to provide support services that promote successful home purchase and ownership.

In 2006, Atlanta Habitat for Humanity completed a Capital Campaign to establish a Property Bank for future Atlanta Habitat homes. This will ensure a steady supply of buildable lots for years to come in the wake of escalating property costs in the city of Atlanta. The Campaign also replenished the Faith and Community Partnership Fund. The fund offsets the sponsorship costs for faith-based home builds, allowing more churches, synagogues, mosques and other congregations to partner together to help Atlanta families.

<u>Total Funds Raised</u>	<u>\$6,100,166</u>
Property Bank	\$5,096,085
Faith & Community Partnership Fund	\$1,000,000

Many thanks to all of the individuals, businesses, foundations and other members of the community whose generosity helped us reach our campaign goal.
