

## Support Our Mission

*Atlanta Habitat for Humanity partners with working families, sponsors and communities to build affordable quality homes and to provide support services that promote successful home purchase and ownership.*

Since 1983, Atlanta Habitat has partnered with hundreds of sponsors, donors, volunteers and hard working families to build more than 925 homes, housing more than 3,000 individuals. Atlanta's families deserve an equal chance for affordable homeownership and Atlanta Habitat offers that opportunity.

*Carpenters Club* was formed in 2002 to serve as a steady foundation of revenue as well as to promote and acknowledge the loyal and caring supporters who give continuously throughout the year.

*"I'm set here. As long as I have a secure foundation, everything else kind of falls into place."*

# JOIN THE *CARPENTERS CLUB*

## What is Carpenters Club?

Atlanta Habitat for Humanity's *Carpenters Club* is a monthly giving program that allows you to directly support affordable home-ownership in our community with minimal effort. Each month, your contribution to Atlanta Habitat is automatically deducted from your checking account or charged to your credit card.

Membership in *Carpenters Club* means more of your contribution goes directly to Atlanta Habitat's program with less administrative overhead—your donation is more effective because processing costs less.

Help more families like Khadijah Abdur-Rahman's family build a brighter future.

## What are the Benefits of Joining?

- Effortless donation with the elimination of time required to write and mail a check;
- Savings on postage and possible bank processing fees;
- Easy-to-read, consolidated donation statement at the end of the year;
- Recognition in *HOMEFRONT* and on our website for your committed support;
- Satisfaction of knowing your monthly donation ensures families can realize the dream of homeownership;
- Easy termination—it only requires only a written request.
