HABITAT II RENOVATION SPONSORSHIP: \$15,000

Habitat IIs are short-term renovation projects ideal for smaller volunteer groups. Tasks often include interior and exterior painting, landscaping, cabinet installation, and other small repairs. Projects typically last 2-5 days and require 20-25 volunteers per day.

SPECIAL INTEREST BUILDS

Atlanta Habitat provides unique build opportunities for partners from similar industries including the legal, financial services, hospitality, and technology fields. Interfaith partnerships, high-school and college builds, and all-women builds are other examples. Each house brings together multiple partners to support the total cost of house sponsorship. Benefits of special interest builds include: business development, team-building, and civic engagement.
