Atlanta Police Academy Recruits Connect With Atlanta Habitat for Neighborhood Cleanup October 7, 2016

Atlanta Police Training Academy recruits will join the Atlanta Habitat for Humanity operations team for a neighborhood cleanup in the Verbena subdivision in Dixie Hills located in northwest Atlanta. The morning cleanup operation is more than a community service project for 30 members of Police Academy class #246. The recruits will work alongside neighbors to get to know them and their neighborhood and tour an Atlanta Habitat house. APD first partnered with Atlanta Habitat on Earth Day this year for a neighborhood cleanup in Verbena. Atlanta Habitat encourages homeownership by Atlanta Police officers as part of the nonprofit builder's mission to be a catalyst for neighborhood revitalization.
